

Seasons Greetings

From

Starlight Trust Animal rescue

As our first year nears its end we wanted to thank all of you who have supported us over the last 9 months. It has been a crazy, busy and emotional year but we're pleased with what we've achieved - we've taken in over 200 animals and half of them are already happily in new homes. This last month has been especially challenging with the arrival of more than 100 mice rescued from neglect in Wales.

Thank you

We want to thank everyone who has helped us this year. STAR is not a two-person operation. The animals we have helped this year owe their thanks to a small but devoted team of foster carers, the extremely kind souls who helped to transport animals to their new homes, to the wonderful people who have made donations of money, food and equipment and to all the fabulous people who gave new homes to STAR animals, giving them a better life and allowing us to help more like them.

Your Stories

We would like to share stories of some of the animals you have helped us to find new homes for with visitors to our website. If you would like to show your new friend off to the world please drop us an email with a few words about them and how they have settled in along with some pictures if possible.

The future

We're delighted with what we have achieved so far but there is still so much to do. We may have taken in over 200 animals this year but we must have turned away at least as many again. The mouse influx is going to restrict what we can do next year. Until we home some of the 100 animals currently at STAR HQ we can't take in anymore however desperate they might be.

What you can do

You have played a vital role in what we have managed to do in the past year and we hope you'll continue to support us in 2009.

Is there room at your inn this Christmas? We currently have more than a hundred animals looking for homes. Some are babies born here a few weeks ago, some have been here for many months waiting for the right home. Please have a look at the [animals in need](#) and get in touch if you can help.

If you've not finished your Christmas shopping yet then please don't forget that if you order through [EasyFundraising](#) we'll raise funds from EVERY purchase you make! Best of all, IT WON'T COST YOU A PENNY EXTRA!! You'll also find over 100 exclusive 'credit crunch busting' offers and codes that could help reduce the cost of your purchases. And if you have finished buying presents for everyone else, grab yourself a bargain! Many retailers have already started their sales and are slashing their costs, sometimes by more than 20%.

Much as we hate to ask we do of course rely on public generosity to help the animals. Could you send the STAR animals a present this Christmas? The buttons below allow you to make a one off or recurring donation if you're able to spare an amount per month. Many, many thanks in advance for anything you're able to spare.

Moonbix

If you're shopping for your furry friends this Christmas you might like to pay a visit to our friends at www.moonbix.co.uk. Amanda, Adam and Ronnie are STAR supporters who are raising money to save a neglected dog in Vietnam. They sell the most delicious home made treats for dogs, rats and other animals so you can make yourself extremely popular with the fur kids and raise money for a great cause at the same time!

Thank you and we hope you have a very Merry Christmas and a wonderful New Year

Much Love
